Center News & Updates

Inclement Weather Policy

*****New– Center closings will be listed on channel 3 *****

If the Enfield Schools are closed due to inclement weather, the center will be closed for the safety of our clients. If there is a delay in the Enfield Schools due to winter weather, check channel 3 to see if the center will be open or closed. If the center will be closing early due to a winter storm, you will be notified if the clients will be brought home early or will need to be picked up early.

Please have driveways and walkways shoveled and sanded for the safety of our clients and staff. During the inclement weather, it will be upon the discretion of the van driver and aide as to whether the driveway and walkway are safe for the client to be picked up in the van.

Please know that the center always has the safety and well-being of your loved ones in mind when we make our decisions. We appreciate your understanding!

Illness

If your loved one is ill or you suspect that they are ill, the center asks that you please keep them home. In addition to your loved one being able to rest & recuperate, it also prevents our other clients in the center from being exposed to anything. If you have any questions, please feel free to call the center & speak to Karen. Thank you for your cooperation in this matter.

Thank You

The staff, volunteers and clients would like to extend a sincere thank you to all our families and caregivers for your generosity! We appreciate all the gifts, supplies and food that were donated and given to the center especially during the holidays. You are greatly appreciated!!!
