Fourth of July

Upcoming Events

Liturgy

On Tuesday, June 6th, Father Weaver from St. Patrick's Church will say Liturgy at 1:30 pm.

Support Group

Our monthly support group will be held Tuesday, June 13th at 2 pm. We will have a special guest, Ian MacDonald, from the Connecticut Chapter of the Alzheimer's Association. We hope that caregivers can join us! Remember that your loved one can participate in the center's activities during the meeting.

Father's Day Celebration

The Felician Adult Day Center will be celebrating Father's Day on Friday, June 16th. The staff and volunteers want to wish all our clients and their families a very Happy Father's Day!

Thank You

We would like to thank all of our families for their generous donations for our Memorial Day Picnic. Thanks to all of you, it was a great success. The food and the company were wonderful! We hope that all our clients and their families had a great time.

Center News & Updates

Occupational Therapy Students

For the past several months, we have had several occupational therapy students (Alina, Natalia & Litza) from Bay Path University working at the center. They will be completing their work this month. We have enjoyed having them at the center and wish them well in their future endeavors. We will miss them!

Spring Clothing

As the warmer weather approaches, we need to start inventorying our extra clothing for our clients. If your loved one has heavy winter clothing for their extra outfit, please see a staff member to switch it for lighter clothing appropriate for spring and summer.

Summer Fun on the Patio

Once the weather gets warmer (and the rain stops), the clients will be spending time on our back patio. The patio has an awning & the center has a few hats for clients for sun protection. If the humidity level is acceptable, your loved ones will be enjoying some fresh air & sunshine.

Dehydration

As the warmer months approach, it is even more important to keep our loved ones well hydrated. In addition to drinking water, there are many alternate ways to keep fluid levels high. Fresh fruit (especially watermelon & grapes), fruit popsicles, jello, soup, smoothies and sugar-free drink mixes are great choices.
