Center News & Updates

Parking Lot

The parking lot in front of the day care will be repaved on a Friday this fall. The center will either be closed for the day or clients will have to enter through the back entrance. The date of the project and the logistics are still being determined. As soon as we have a definite date with details, we will relay the information to you. We apologize in advance for any inconvenience this will cause but the repaving of the parking lot should make it easier for our clients and their caregivers to maneuver across the pavement.

Beauty Salon

If you need to make a hair or nail appointment for your loved one, please call our hairdresser Doreen directly at 860-593-4795. Hair and nail appointments should be made at least 7-10 days in advance. Forms are available to fill out if you want a standing appointment for styling, haircut, perm or nails (weekly, every other week, monthly, etc.). Doreen’s regular scheduled day in the center is Wednesday. Beauty salon services include haircut, wash & set, perm, hair color, eyebrow shaping, facial hair removal and nail service (cut/file, polish, complete manicure).

Grandparent’s Day

We wish all our clients, families, caregivers, volunteers and staff that are grandparents a Happy Grandparent’s Day (Sunday, September 10th).

Thank You

A great big thank you to all our caregivers and families that donated supplies to the center for our summer picnics. The clients enjoyed several cookouts during the summer season. We also want to thank you for the donations from our wish list. We appreciate your generosity!
