FELICIAN ADULT DAY CENTER NEWSLETTER

Sharing the Caring

March 2020

Upcoming Events

Important Dates

March 8 – Daylight Savings
Time Begins

March 9 – Pedi Care

March 10 – Support Group
2 pm

March 17 – St Patrick's Day
Celebration

March 17 – Irish Dancers
11:15 am

Daylight Savings Time

Remember to set your clocks one hour ahead on Sunday, March 8th.

Pedi Care

Pedi Care services will be available on Monday, March 9th. Please fill out the enclosed permission form and return it to the center no later than Friday, March 6th. Please remove any toenail polish prior to the appointment.

St Patrick's Day

The center will be celebrating St. Patrick's Day on Tuesday, March 17th. Remember to wear something green that day and bring your Irish luck.

The Riley's Irish Dancers will be entertaining us that morning. If anyone wants to send in any St Patrick's Day refreshments to share, we would appreciate it.

Center Attendance

To all our families & caregivers – If your loved one has a change in their center schedule, please notify the center **no later than the day before by 12 noon.** This includes:

- not attending on your regularly scheduled day
- attending additional days during the week
- changing from your regularly scheduled days.

We must notify our lunch supplier a day in advance. The center wants to make sure that we have enough lunches for all our clients as well as not having to pay for additional lunches. It also helps us in planning our daily activities.

The center does not **open until 8 am**. Although there may be a staff member in the building, clients will not be admitted until 8 am. Staff need this time in the morning to get set up for the day. The center **closes at 4 pm**. Please be prompt when picking up your loved one in the afternoon. Thank you for your cooperation!

Center News & Updates

Support Group

Our March support group will be held on Tuesday, March 10th at 2 pm. Remember that your loved one can join us for activities during the meeting. We encourage all caregivers to join us!

Occupational Students

Our two occupational therapy students, Allison & Samantha from Bay Path University, will continue to work with us at the center until the end of March. We appreciate their hard work & devotion. We look forward to working with them this next month and wish them success in their future endeavors.

Inclement Weather Policy

***** Center closings will be listed on channel 3. *****

If the Enfield Schools are closed due to inclement weather, the center will be closed for the safety of our clients.

If there is a delay in the Enfield Schools due to winter weather, check channel 3 to see if the center will be open or closed.

If the center will be closing early due to a winter storm, you will be notified if the clients will be brought home early or will need to be picked up early.

Please have driveways and walkways shoveled and sanded for the safety of our clients and staff. During the inclement weather, it will be upon the discretion of the van driver and aide as to whether the driveway and walkway are safe for the client to be picked up in the van.

Please know that the center always has the safety and well-being of your loved ones in mind when we make our decisions. We appreciate your understanding!

Illness

Flu & cold season are still in full swing. If your loved one is ill, or you suspect that they are ill, the center asks that you please keep them home. In addition to your loved one being able to rest & recuperate, it also prevents our other clients in the center from being exposed to anything. If you have any questions, please feel free to call the center & speak to Karen. Thank you for your cooperation in this matter. We hope everyone stays healthy as we head into the spring season!
